**\* Memorial Moment:** Linda Andrews read the names of 19 members deceased since our October luncheon, and a moment of silence was observed.

**Guest Speaker:** Barry Harbinson spoke about the new NBSRT Provincial Pension Committee which he chairs. He noted there is now nearly an equal number of active and retired teachers. In the 1990's the pension plan was only about 75% funded, and a 25-year program was launched to have it be fully funded by 2017; currently it is about 93% funded. He expressed thanks to our predecessors who arranged an excellent defined benefits pension plan and have managed the investments well. The government is beginning to review defined benefit plans and severance packages for its active employees; we need to be vigilant and ready to take political action if necessary to protect the plan, even if we are not directly affected. Barry also noted that there is a proposal to delay OAS to age 67 and yet still integrate CPP and Teachers' Pension at age 65, resulting in two years' double reduction in income for retirees (this applies to those born in the mid-1950's or later).

**Prizes:** Ann Stone coordinated the draws for a dozen door prizes. Addie Ferguson won \$70 in the 50/50 draw. Barry Harbinson thanked the Social Committee for their work.

**Comments on these Reports:**

- **Directors:** Nancy noted that it is a privilege to serve, and expressed thanks to Linda. She stressed the importance of recruiting members so we have more strength in lobbying re pension, insurance and seniors' issues. She announced that no Branch has volunteered to host Biennial 2013, so it will be a one-day event in Fredericton and will be further reviewed for 2015.
- **Wellness:** Pat Beyea reviewed her report and listed several activities proposed for 2012-13, for which sign-up sheets were available today.
- **Membership:** Lynne published her report in the Spring Newsletter. Nancy Steele noted that membership forms are available at this meeting or on-line.

**Budget for 2012-13:** moved by Larry McPhee, seconded by George Little, carried. It calls for total revenues of \$6460 and total expenses of \$7200. Larry noted that the excess spending recognizes that we have accumulated a healthy balance and need to begin spending some on member services.

**Nominating Committee:** Barrie Rigby noted that this is mid-term for Executive positions, but George Little is stepping down from Publicity, Lynne White from Membership, and Mary Ellen Maillet from Phone. Netta Chase has agreed to do Publicity, and feelers are out for the other two positions. Acceptance moved by Barrie and seconded by Larry, carried.

**Reflections:** Barrie noted that only ten copies of the latest issue were returned "address unknown". He stressed the importance of notifying address changes. He noted that about 150 provincial members receive Reflections on-line; he and the editors would like to see this number increase to save paper and postage.

**Adjournment** duly moved at 2:10 pm.

Respectfully submitted,

Robert Taylor, Secretary.
